

# Personality test

As an ISTP (Virtuoso), you are a bold explorer of the tangible world, driven by a restless curiosity to understand how things work. Your hands-on approach to life is matched only by your adaptability, allowing you to navigate challenges with a unique blend of practical logic and spontaneous creativity. You thrive on solving immediate problems, your mind a toolbox of skills and knowledge ready to be applied at a moment's notice.

## 1 Personality Traits

Mind  
**58% Observant**

You're likely pragmatic and down-to-earth, with a strong focus on what is happening or very likely to happen.

Ik vond het interessant om te zien welke eigenschappen de test naar voren haalt na het beantwoorden van de vragen. De resultaten leggen de eigenschappen goed uit.
